LANGUAGE

- English
- Urdu

SKILLS

- Frontend
- Laravel
- Python Django
- Problem Solving DSA

EXPERIENCE

Devicon
Rahim Yar Khan - Punjab
2023 - 2024

I've honed my skills and gained hands-on experience in software development through building projects at a software house, contributing to impactful solutions and enhancing my expertise in the field.

You can see my work at : **github.com/abdullah956**

- Designed and developed responsive and visually appealing web interfaces using HTML, CSS, and JavaScript.
- Collaborated with backend developers to seamlessly integrate frontend components with Django frameworks for enhanced functionality.
- Implemented efficient algorithms and data structures to optimize application performance and scalability.
- Utilized Python for web scraping, data manipulation, and automation, improving workflow efficiency.

EDUCATION

KFUEIT
Bachelor of Computer Science
2021-2025

Oxbridge School and College
Matric & FSC (Pre Medical)
2007-2020
